

## **BESSIE WALKER DIDN'T GIVE A DAMN ABOUT HIM WHEN SHE WAS ON THE NEWARK BOARD OF EDUCATION.**

**what makes you think she's going to care if she's elected to the Newark City Council?**

As a Newark School Board member, Bessie Walker traveled around the world,  
eating and drinking your tax dollars away.

While Bessie was having a great time, even though the Board had a  
\$62 Million dollar surplus, Newark schoolchildren  
had to go without books, without heat, and without toilet paper.

Now, Bessie wants another free ride— on the Newark City Council.

Don't reward disrespect and incompetence—  
**keep Bessie Walker off the Newark City Council**

FIRST**
